## Volunteer

As a volunteer you will get free access to the event. We have max. 5 seats to be taken as an volunteer. You can sign up as a volunteer via the [contact](#) form. You will be asked to write a short motivation for helping us. We will then contact you as soon as possible to discuss what you can do to help us.

The rule we apply is: who comes first serves first. When there are no more places for volunteers, we will state this on our website.

What do we expect from a volunteer at the day itself?

We expect our volunteers to be **max 1.5 hour before** the event begins at the location of the event.

We will start the day with a briefing about what to be expected that day. This can be from all kinds of hand-and-hold services, such as:

- Support at the start of the event.
- Helping our sponsors finding their way.
- Assisting with the registration and reception of our guests.
- Photographer.
- Support with workshop, think about controlling the timeline and making sure that our gast have enough time to ask questions.
- Coordinating activities at the location site.
- Being the signpost for our guests, by example for the first aid.

Of course you can give us an indication where to help us at your best.

## Friend of the Foundation

A friend of the foundation is a private person who supports the Mnet Foundation with a financial contribution.

You sign up as an friend with the form you find below. After paying € 50,- to support us , you will get a one time discount code for € 25,-. You can use this discount code for yourself or someone else for this event. You are already registered for the event? Please let us know immediately upon registration, and we will discuss how the discount will be returned to you.

## Business contributor

Business contributors are parties that “for example” use Moodle for learning, like schools and organisations. But a business contributor can also be a company that “for example” provides educational support or makes Moodle plugins. These may also be contributors who may not work with Moodle themselves, but still come into contact with Moodle in one way or another. In short, the business contributor is anyone who wants to support the Mnet Benelux at the mission.

As a Business contributor you will receive two personal discount code of € 25 after registration via the form below and the payment of € 250. These codes can be used for employees, but also for relationships, for example.

## Business contributor +

After registration via the form below and the payment of € 750,- the Mnet Benelux foundation will:

- Provide the number of discount codes of € 25 based on the number of employees specified.
