

The **Mnet Benelux Foundation** organizes the MoodleMoot Benelux 2020 Online on Tuesday October 6th.

You will probably be interested in how we are able to get our Dutch-speaking community in the Benelux to this beautiful location. But the ultimately matter here is of course Moodle.

As a Moodle Partner, Moodle Integrate Partner or Premium Moodle Partner you are the face of Moodle for our region! Your visibility at the event will be of absolute added value to many participants. A possibility to catch up with your service provider again, but also a opportunity for participants who are curious about Moodle to get acquainted.

You will find the [program](#) for this event on our website. Due to COVID-19 we have decided to “re-organize” our program in a way that it can be provided in an Online matter. Of course we will use a Moodle Learning environment as a platform where participants can join the session live, or replay it at a more timely manner. We expect to have around the 50 - 75 registrations and between the 25 - 75 live participants.

As organizers we are aware that becoming a sponsor at an online event, will come with certain challenges. Though we do hope to offer you with this package a fair price. If you have any concerns or questions please contact us straight away.

With kind regards,
Stichting Mnet Benelux
